The New

My congratulations to all Seniors on graduating in this year 1968. You have come to the end of a phase in life that I hope has been a most rewarding one. The "young years" may be remembered as the "best years" as you move through the rest of this Century.

Your education at Hicksville High School has only been the opening to a way of life. The opportunities for employment, service to mankind, and for happiness are never ending in our society today. The first problem confronting many of you now is how to fit into this vast place called "the outside".

My message to each of you would be this "set your goals—keep moving—and never quit." If you have a clear idea of your capability and are realistic about your objectives you can afford to dream about the future. May I wish you the best of fortune and the success you deserve.

Raymond L. Rusch.

HHS Assistant Principals; Mr. James Jones, Mr. Chester Jaworkski, Mr. Lawrence Olvany, Mr. William Feigin.

Administration Finished Up Their Second Term in Office

Give the boss a whip
will you!!!
Good luck
CJ

Mr. Jaworski, well-known to the Senior class, was always an excellent example of good school spirit.

Mr. Feigin was always busy getting things done for the school; even at the end of a long day, he had items to check.

Mr. Olvany spent most of his time dealing with student's problems.

Mr. Feigin and Mr. Jaworski still found time to compare notes.

Mr. Jones, who was actually our contact with the administration, did his job well.

vocational

HHS offers a variety of vocational courses, from home designing to hair curling. These are supplemented by academic courses in math, science, social studies, and English.

Show tickets, posters, programs, the school newspapers, and the Particle flow from the presses of Mr. Adams' Print Shop. The boys do everything from type-setting to modifying the van dykes. While the district profits from these announcements, the boys get a sound background in the field.

Actual jobs provide experience for the boys in Auto Shop. Besides working on faculty cars or other available vehicles, many boys are employed at local filling stations.

Buzzing saws identify room 172, where the skills of carpentry are taught. The special project this year was boat-building under the supervision of Mr. Docarelo.

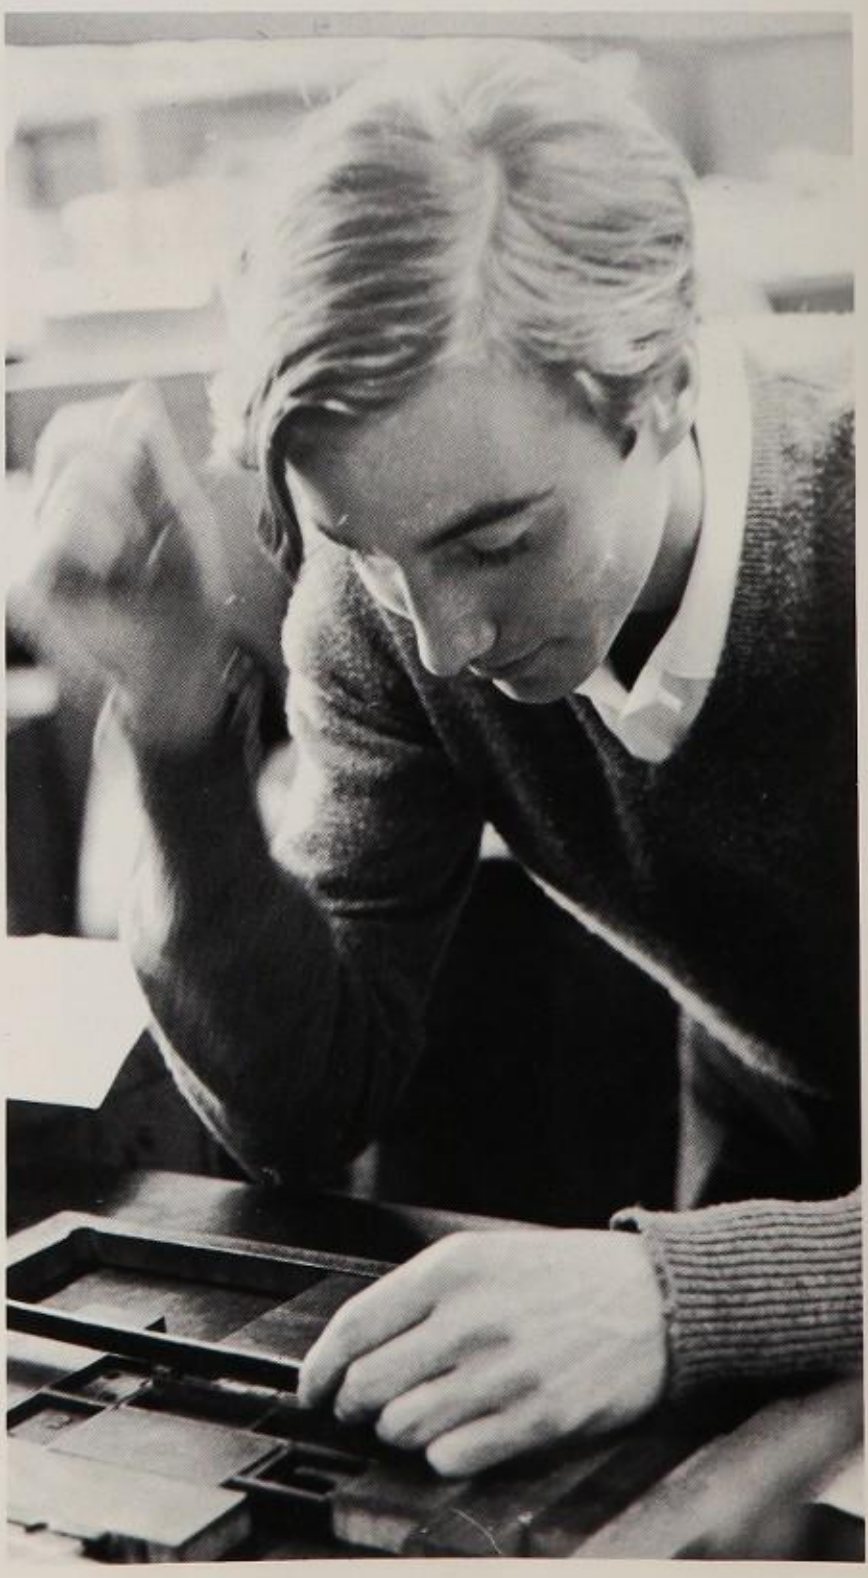
Home and commercial building designing and drafting are covered in Architectural Drafting. Upon successful completion of the course, students are qualified to be tracers, detailers, or draftsmen.

The girls take over in Beauty Culture. They must complete 1000 hours in physiology, hygiene, hair-cutting and coloring, and facials. Mannequins are usually the testing ground for new hairstyling techniques, but often the willing head of a faculty member or student is used. An operator's license is issued to those who pass the State Board exams.

Girls also participate in Occupational Nursing, which allows them to work at nearby hospitals. They also serve as Nurse's Assistants in the school health office.

An integral part of the activity in the Auto Shop was knowing the parts of a motor. Here, a future mechanic adjusted a carburetor.

Carol Gonzalez, an adept Beauty Culture student practiced setting a model's hair.



In Print Shop, a student was busy setting type.

Bizarre appliances such as this face messager were used in Beauty Culture classes throughout the year.

A skilled Carpentry Shop man carefully drilled a dowel hole in a block of wood.

In Beauty Culture, an emphasis was put on style. Here, a student applied nail polish as she refined her skill in the art of conversation.

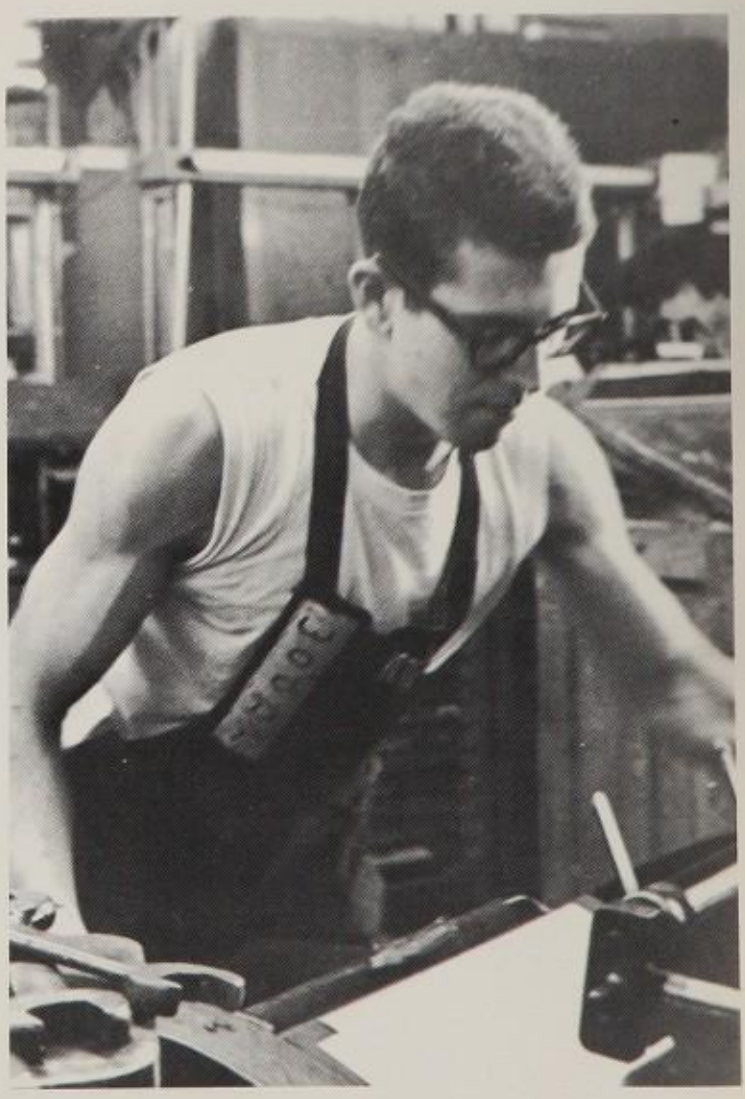
Here we see a student very involved in drilling a hole through his hand.

"I think that I shall never see, a motor lovier than thee."

Peggy Sullivan applied herself to the job at hand.

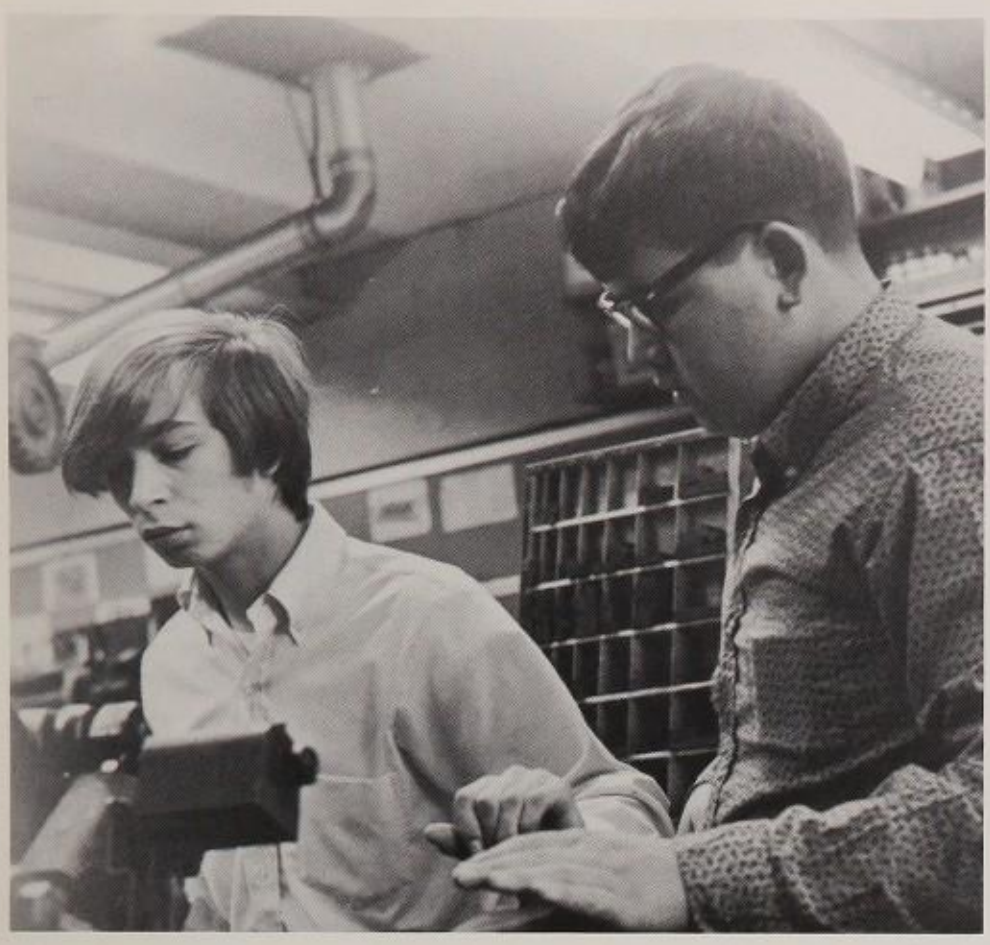
Two boys adjusted an automobile carburetor.

John Tritto and Steve Barrett used their skill with an oxyacetylene torch.



In the inner office of the famous Hicksville Print Shop, Arthur Woods carefully adjusted an automatic offset press.

Beauty Culture classes required such operations as removal of eye-brows.



Production in our Print Shop was rapid and efficient. Here we see two boys feeding paper into a letter press.

An unknown student demonstrated how to misuse a hammer and chisel.

In our carpentry shop a student busily measured lengths of wood and made certain a perfect fit.

In Beauty Culture a student sectioned hair in preparation for a dyeing job.

Pep Rallies and Dances Lead Off

More dazzling than the trophy was Homecoming Queen Carol Gonzalez, posing here with the President of the Alumni Association and Mr. Rush.

A pep rally on an Indian summer afternoon kicked off this year's football season. Bashful at first, the crowd was soon roaring with its usual enthusiasm. Two comic switches delighted the crowd. A group of fraternity brothers gave their impressions of our cheerleaders; the girls got in their licks by dressing up in football uniforms and imitating the boys' warm-ups.

The October 21 game hosted Hicksville's Homecoming celebration. Carol Gonzalez reigned as queen and was attended by runners-up Gail Trouton and Barbara Haggerty. These three girls had won the highest number of votes in balloting by the senior class.

Students packed the gym on November 17 for a second pep rally. Black and orange balloons bobbed in the bleachers as Mr. Paisner, Coach Grantham and star halfback Dwight Erich thanked the fans for their support. The frat brothers rose to the occasion with a zany takeoff on the Marching Band. Not to be outdone, the Varsity and JV cheerleaders countered with a rousing Hicksville cheer.

The season's victories were celebrated in traditional style at the Victory Dance. The lively tempo of the "Mad Hatters" matched the mood set by the decorations and the excitement of the crowd.

Competition for the Marching Band? This unorthodox consort of instruments and the obvious enthusiasm of the musicmakers delighted the crowd.

the New Year

The sounds and the silhouettes were those of the Haymarket Riot at November's Victory Dance.

The inexhaustible spirit of Mr. Paisner infected everyone within earshot.

Mr. Feigin proudly accepted the Division I championship trophy from Coach Umbria.

This attractive lineup couldn't help but arouse the team.

Class Elections Eagerly

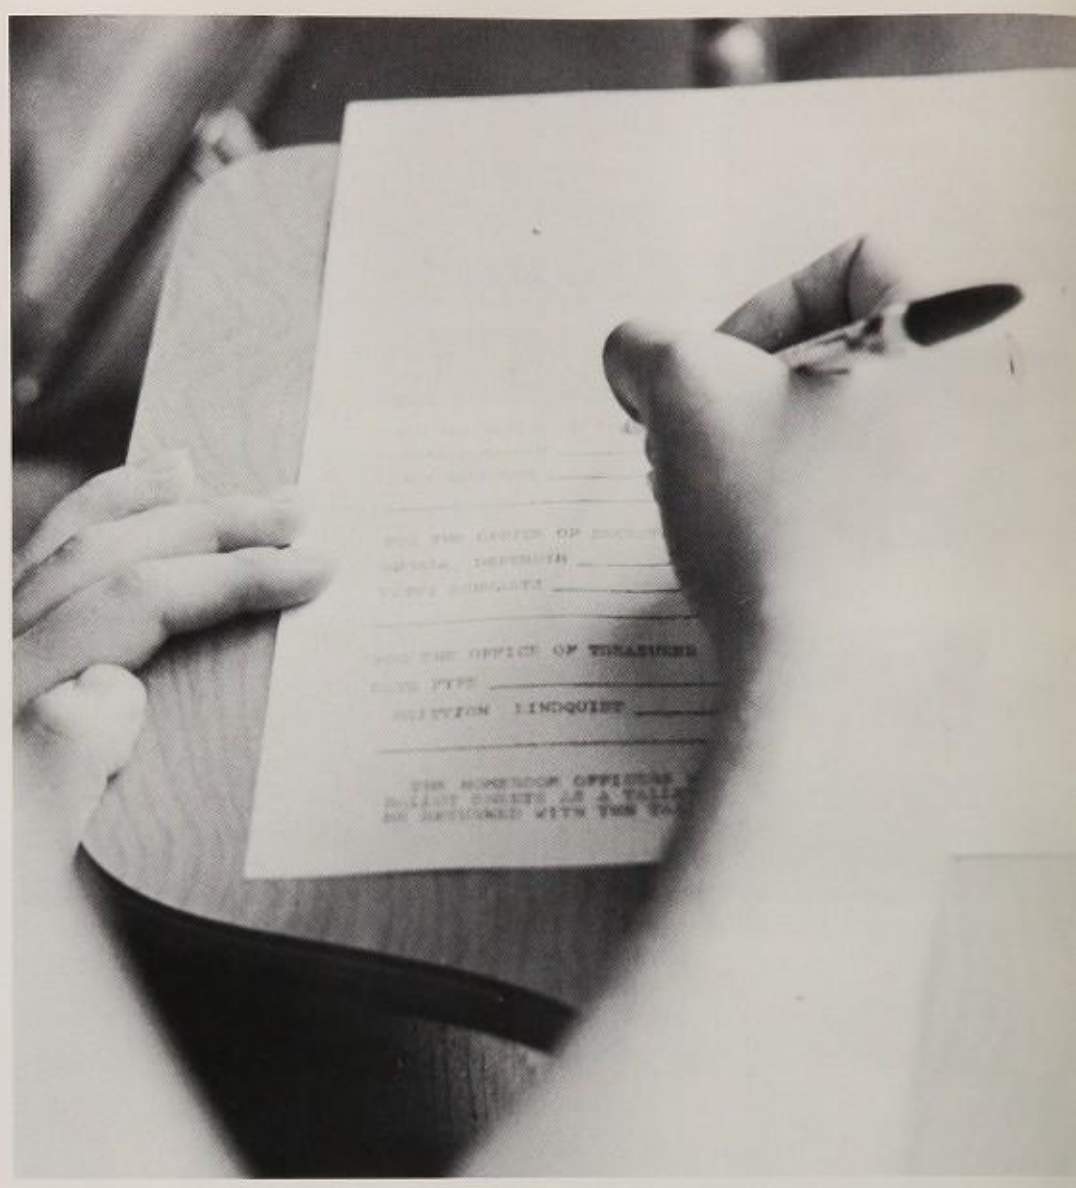
"Team Action" was the slogan for this year's senior class elections. The team of Chet Schnepf and Andy La Grega captured the presidency and vice presidency in a close contest. Patti Schwartz was elected to the office of secretary for a second year, and Britton Lindquist was chosen senior treasurer.

This year the election speeches were delivered at the newly initiated senior orientation, a move that assured a large audience. There the presidential candidates told their classmates about their ideas for making this a "fantastic" senior year.

A substantial number of write-in votes also influenced the elections. Although no write-in candidates were successful, they diverted a large proportion of the votes by stealing votes from the major candidates.

The class of '69, keeping in mind such responsibilities as the SJS Mixer, Junior Prom, and class rings, elected the people they thought could best handle these obligations. Those elected were: Linda Burnette, president; Neil Zanville, vice-president; Paulette Florio, secretary; and Pat Kiernan, treasurer.

In the sophomore class race, Dave Satran won the presidency, Sue Morris the vice presidency, JoAnn Staffieri, secretary, and Randy Fell, the office of treasurer. Although unfamiliar with the school procedures the sophomores apparently enjoyed the campaign. Their officers did an outstanding job in organizing a lively and successful Sophomore Hop, their first major class event.



Chet Schnep managed another successful assault on the class presidency.

Class of 1970

Zestful Sophomores Ad

While the Other Culture relaxed, Nancy Rosenblatt offered melodies to munch by.

Sophomore Officers Dave Satran, Randy Fell, Sue Morris and JoAnn Staffieri had good reason to smile. Their Soph Hop was the most successful in years.

Sophomores had varied reactions to this business of Orientation.

t Right from the Start

Armed with student handbooks, the class of '70 filled the Boys' Gym for Sophomore Orientation. There Mr. Rusch welcomed them to three years at HHS. Mr. Jones informed them of school formalities, Bob Gottlieb discussed the Student Court and Andi Director explained the mysteries of Student Activity Tickets and the Innash Dance. With a hearty "Good Luck" and the friendly assistance of Miss Daly the Sophomores were officially launched on their high school careers.

Their first class event was the Sophomore Hop. The theme this year was borrowed from Washington Irving's **The Legend of Sleepy Hollow,** but the music by the Other Culture kept everyone wide awake. Hay and pumpkins strewn about the gym evoked just the right atmosphere. While there were no Headless Horsemen, there were plenty of footloose sophomores enjoying themselves immensely.

Gail Pollina, Interim President of the ASC introduced Mr. Jones to the uninitiated.

Sophomore creativity converted the everyday Old Girls' Gym into the eerie atmosphere of Sleepy Hollow.

Juniors Took a "Tahitian

Beneath swaying palms and surrounded by pineapples, the junior class spent a Tahitian evening at the Prom.

Local talent proved as successful as professional entertainment. Loni Ludwig and Peter McEntee performed a folk song, and Lee Ann Rubino, Gail Greenstein, and Paul Jacobs each sang popular numbers. Amy Brill delighted the audience by stylishly dancing to "The Stripper." As always, the highlight of the evening was the coronation of the Queen of the Prom and her ladies-in-waiting. This year, lovely Maureen McAllister happily ascended the throne. For many the Prom continued outside of the high school when couples drove off to restaurants on Long Island. Even after it was all over, in the incoherent wee hours of the morning, everyone realized that they had had an enchanting evening.

Faye Metnich created a balmy South Sea backdrop for the Picture Parlor.

Petra Amoroso and Marty Kline paused to watch volcanos and native girls emerge on the wall.

Under the deft hand of Marion Geisenfeld, pineapples were decapitated.

The last of the gaily colored crepe paper was hoisted to the ceiling by John Fundus.

Holiday''

The Queen and her beaming attendants posed before the flowered throne, left to ight, June Pinataro, Linda Burnett, Queen Maureen McAllister, Pat Kiernan, Kathy Bruder.

Loni Ludwig and Pete McEntee entertained with a folk song.

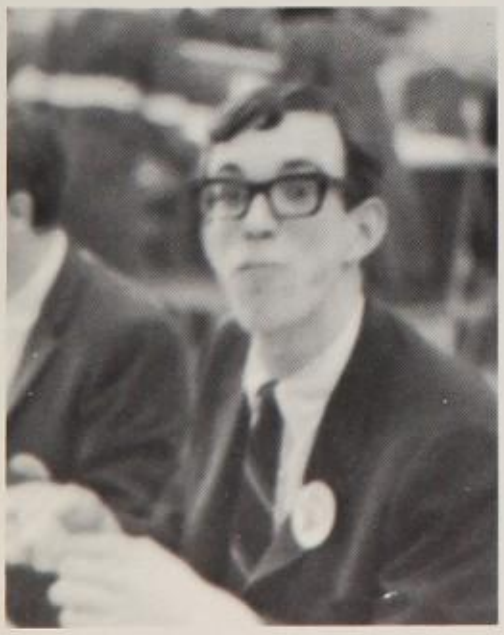
Gail Greenstein sang of a young man's search for love.

Maureen McAllister's disbelief blossomed into radiance when she was crowned queen.

History Punctured Washi

Jeri-Gale Cohen investigated Washington's fabled cherry blossoms.

Joe Webb seemed to have a healthy reaction to food on the trip.



Richard Cottine, Arnold Berger, and Lee Gilbert began the descent from the National Archives.

Every senior trip is unique, yet no other trip in the history of HHS came so close to being cancelled on its very first day. Although riots plagued Washington, students still managed to enjoy themselves in the HHS tradition.

Seniors mobbed the Hicksville RR Station at 6 A.M., anxiously waiting to board the train which would whisk them off to Baltimore. Four hours later the boys were already devouring the box lunches. At their arrival in Baltimore, the seniors fought for seats on buses that took them for a grand tour of the city. Each bus became a happy family in itself. Bus #1, driven by none other than that great comedian Harry, was beloved by all the Munchkins, (the name taken of course from their fearless leader Mr. Munch). Mr. Munch held the record for uncovering and smashing more water pistols than any other chaperone.

The first stop in Washington was the Bureau of Printing and Engraving. Here girls drooled over mountains of $20 bills and wept as rejected bills were thrown out. The next stop was the Washington Monument where a storm seemed to be brewing. The wind whipped at skirts and jackets while the students awaited the elevator that took them to the top. The few brave souls who attempted the climb nearly collapsed as they crawled the last of the 898 steps. In the F.B.I. building genuine agents led the seniors through the various crime-fighting departments. As the onlookers held their ears, an agent demonstrated the use of a pistol and machine gun. Last was the visit to the National Archives where the original Declaration of Independence and the Constitution are on display.

Feet aching from their exhausting tour, the students piled into a nearby cafeteria. Trays laden with numerous servings were lifted with great difficulty, but were devoured with noticeable ease. Then they were off to the Charter House to change for the moonlight cruise down the Potomac River. Everyone was in high spirits at the dance on board ship and Mr. Jaworsky was one of the favorite partners. That night seniors met up with their first Rat Patrol, sinisterly clad in black windbreakers. Open the door and you were in danger of getting your head blown off. After a sleepless night the girls were serenaded by Mr. Muratore singing over his megaphone, "Good morning to you."

Friday it poured. In Williamsburg the girls trudged along in stringy hair and the boys filled their water guns by holding them up to the sky. Armed with their instamatic cameras, students took pictures of ladies in colonial dress and antique furniture. Next day, since all persons were prohibited to enter Washington, plans had to be changed and everyone went on to lovely Mount Vernon. After buying three-cornered hats and other souvenirs, seniors were off to take the group picture. Before they knew it, the buses were whizzing them back to New York.

This was the first time the class made the trip back by bus and most people didn't mind a bit. The Munchkins nearly squeezed 20 kids into the back seat while others slept on luggage racks. Some engaged in all out water warfare with pistols that had been smuggled past the chaperones. At last the Seniors pulled up in front of HHS, weary and hoarse and wishing they could do it all over again.

ton Trip

This glimpse on the first day was the closest seniors got to the Capitol.

Trio of Jeanne Leszczynski, Stephanie Brooks and Cathy Terranova anticipated the trip in varying degrees.

Tired seniors camped on the grass after conquering the Washington Monument.

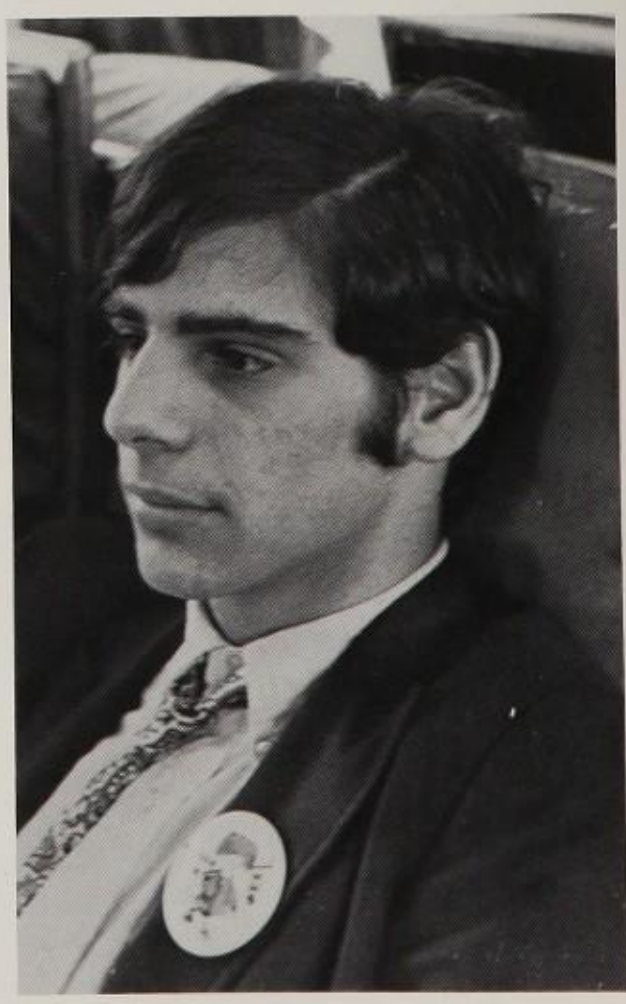
Dedicated photographer as well as chaperone, Mr. Muratore took a light meter reading.

Mary Hemgen amused a friend on the long train ride to Baltimore.

Guides dressed in authentic colonial garb helped seniors recapture the spirit of the times.

Intricate patterns of flowers and shrubs grace the garden

The Governor's Palace still preserves its colonial majesty and charm.



Fun-seeking gave way to sobered reflection as the news of the death of Dr. Martin Luther King was confirmed.

t Williamsburg.

Condemned to unlimited photographing was Vita Marchione.

These three little maids from school found the colonial prison just a bit too cramped for their taste. Compared to this, HHS was bliss!

Red Hot Variety

Blend of Skits, Song, and Dance

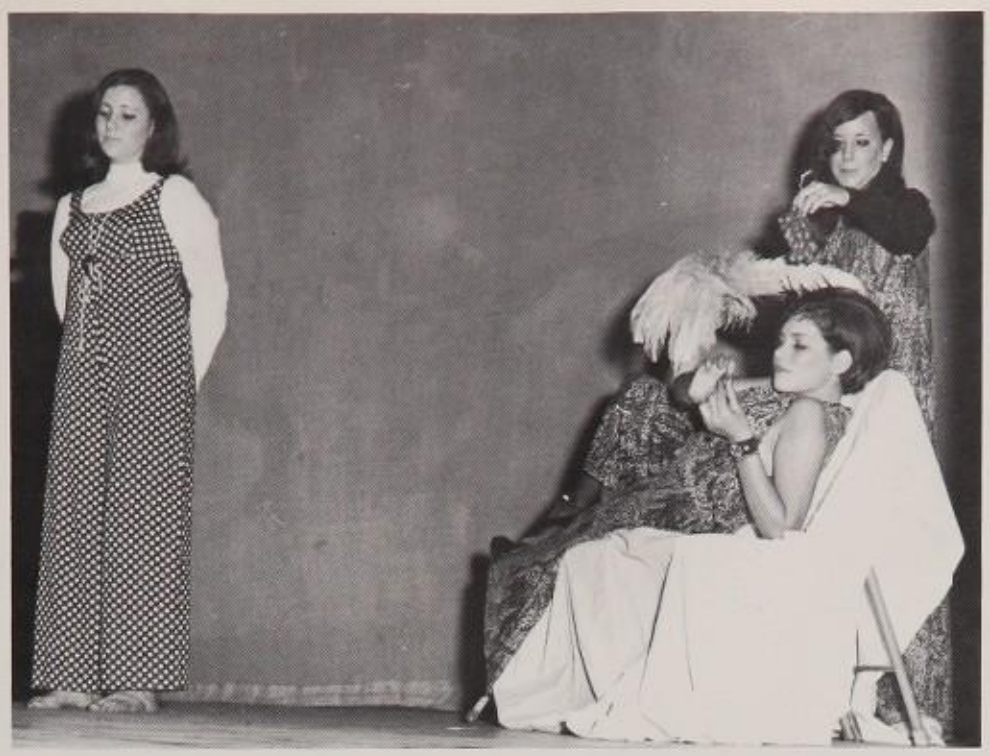
Red Hot Variety '67

The first HHS dramatic presentation opened with the ensemble singing "Once a Year Day." A Barbershop Quartet especially delighted the audience, transporting them back to the harmony of the 1890's with "My Moustache" and "The Sidewalks of New York." Andrea Director's beautiful performance of "I Loves You, Porgy" was equally entertaining. Go-Go Girls, the Coquettes, and a classical ballet showed off the varied dancing talent of the school. A highlight of the evening was the Charlie Chaplin skit, complete with Amy Brill, Keystone Cops, and flickering lights. A new technique for combining dance and song was introduced in "Mack the Knife" by Mike Zuessman and Paul Jacobs. Stunning special effects enhanced the "Invasion of the Robots." The entire cast joined to sing "Once a Year Day" for a rousing finale.

Mistaking the Man from Uranus for a talent scout, janitor Trudee Garnick went into her act.

Two lost souls on the highway of life were Marianne Carine and Peter Lehman.

Mark Kramaroff and Art Budich braved audience reaction to dance with Jan Sawtelle and Amy Brill in "Le Cygne."



Should it be squatthrusts or pushups? Gym teacher Ruth Palmieri pondered this crucial question as Andi Director awaited instructions.

Amy Brill and Mike Zeussman caught in a rakish pose from "Mack the Knife."

Mr. Crucilla offers a few tips to members of the cast in rehearsal for "The Americanization of a Samurai."

"You Can't Take

I'm willing if Grandpa is.

The changing of the guard.

Do you think your figure has changed?

This year, for the second time in its history, the Hicksville Sr. class presented a comedy for its senior play. The play, "You Can't Take it With You", by George Kaufman and Moss Hart, centers around the meeting and proposed merging, through marriage, of two families, the aristocratic Kirby's and the unconventional Vanderhof-Sycamore clan. Various sub-plots concern evading the income tax, supposed Communist subversive activities, play-writing, and toe-dancing. The result was the most successful comedy Hicksville had yet produced.

The actors all gave fine performances. Mike Walsh as Grandpa brought sensitivity and humor to the role, and his daughter Penny Sycamore was beautifully portrayed by Stephanie Schlegel. Robin Solatar managed to make Rheba, the maid, one of the funniest minor parts of the play.

The highly realistic set, complete with stuffed deer's head, added greatly to the play, as did the imaginative and beautiful costumes. "You Can't Take It With You" was a success in every department.

It may not be the Bolshoi, but . . .

Talented Music Students

Mr. Abt concentrated on rhythm problems for the band concert.

Sue Koscinski and company serenaded arriving students as part of the advertising campaign for the Winter Concert.

Fixing your attention on the inimitable Mr. Arnold relieved much of the nervous tension during a concert.

Lenny Albin closed the Tri-M recital with a sparkling concerto by Haydn.

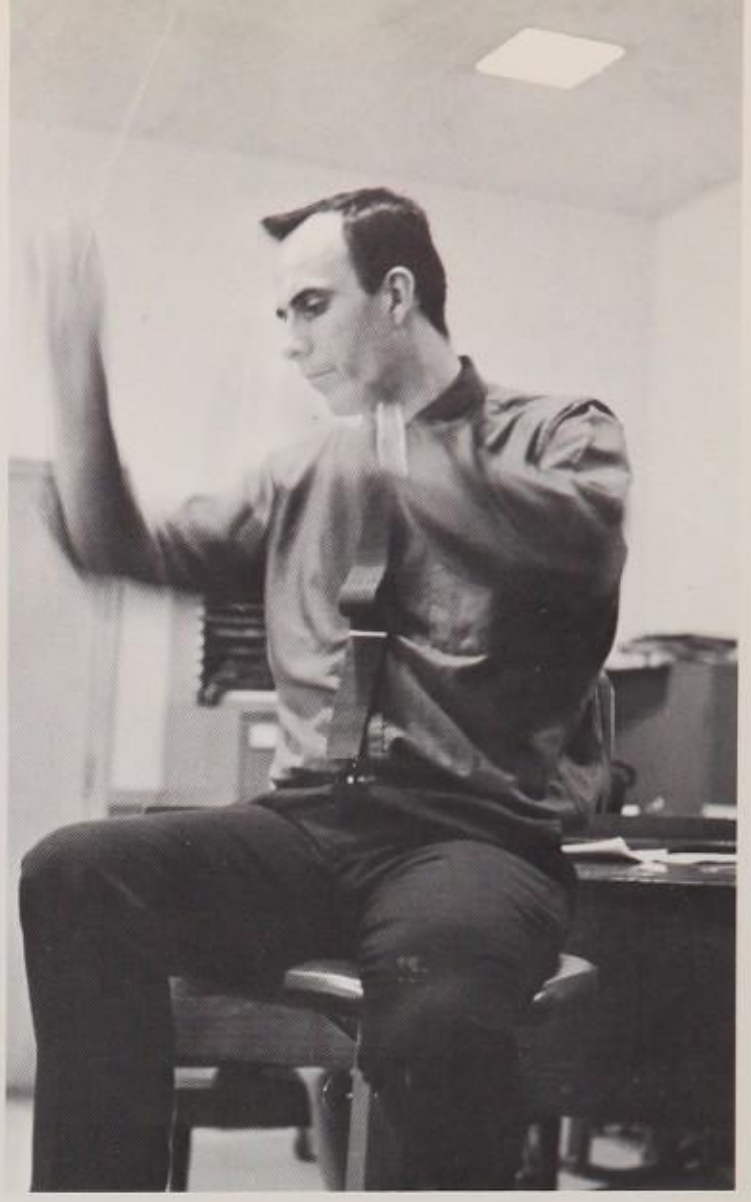
Musical excitement was generated on stage by the Concert Band.

Earn Enthusiastic Praise

Soft stillness and the night became the touches of sweet harmony on January 10, 1968, when the Orchestra and Choruses of HHS presented their annual winter concert. Under the direction of Mr. Thomas Buttice, the Orchestra polished off such pieces from the classical repetoire as Gluck's **Iphegnia in Aulis** and Beethoven's **First Symphony.** They also presented a sparkling selection from this years musical, **Camelot.**

The Chorale, Girl's Chorus, and the Madrigals were all directed by Mr. Charles Arnold. The Chorale sang works ranging from Palestrina to Charles Ives, adapting beautifully to the change in centuries. The Madrigals performed Elizabethan hits in true Renaissance style; they also joined the Chorale for the **Echo Song** by Orland di Lasso. The mellifluous Girl's Chorus sang, among other works, **The Little Horses,** by Aaron Copland. Everyone agreed it was a pleasurable and significant evening.

The Symphony Orchestra played a stirring finale to its winter concert.



A study in thought and motion—Mr. Arnold during a rehearsal.

Maestro Buttice proved that it wasn't really impossible to finger that passage. It just seemed that way.

Their classic appearance enhanced a classic number. The Chorale offered "How Lovely Is Thy Dwelling Place" by Brahms as part of its concert program.

The Woodwind Ensemble entertained at the Administration Building with an intimate concert of Christmas selections.

Adopted Family, Alumni, Concert

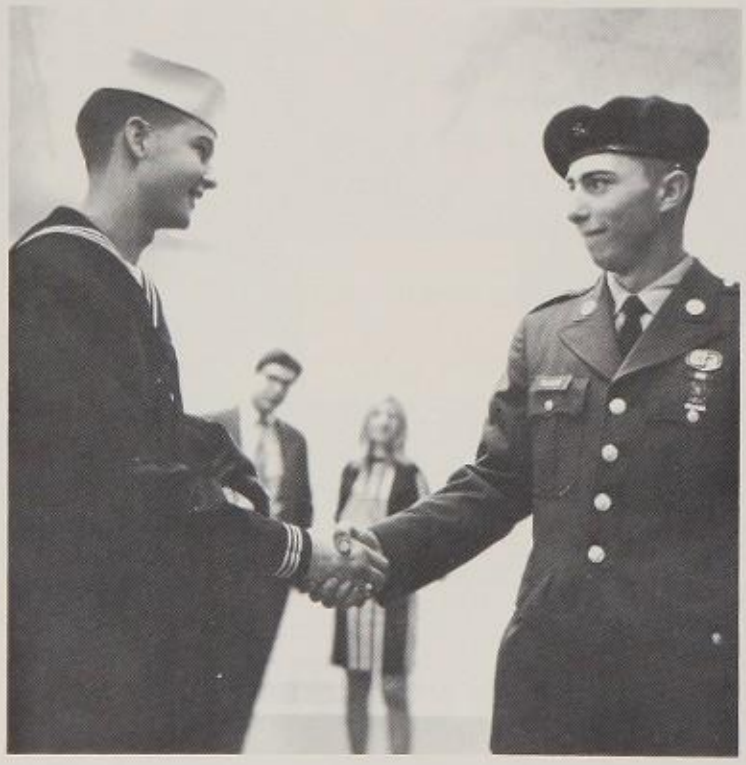
Chairman Kathy O'Donnell, Kevin O'Donnell, and Bob Gottlieb pack a carload full of presents for the adopted family.

One of the most joyous times at HHS was the day before Christmas vacation. Alumni added to the festive air as they visited former teachers and old friends. Alumni were easily recognizable by their visitor's cards, their reminiscing air, and their expressions of disbelief on seeing the multicolor paint job.

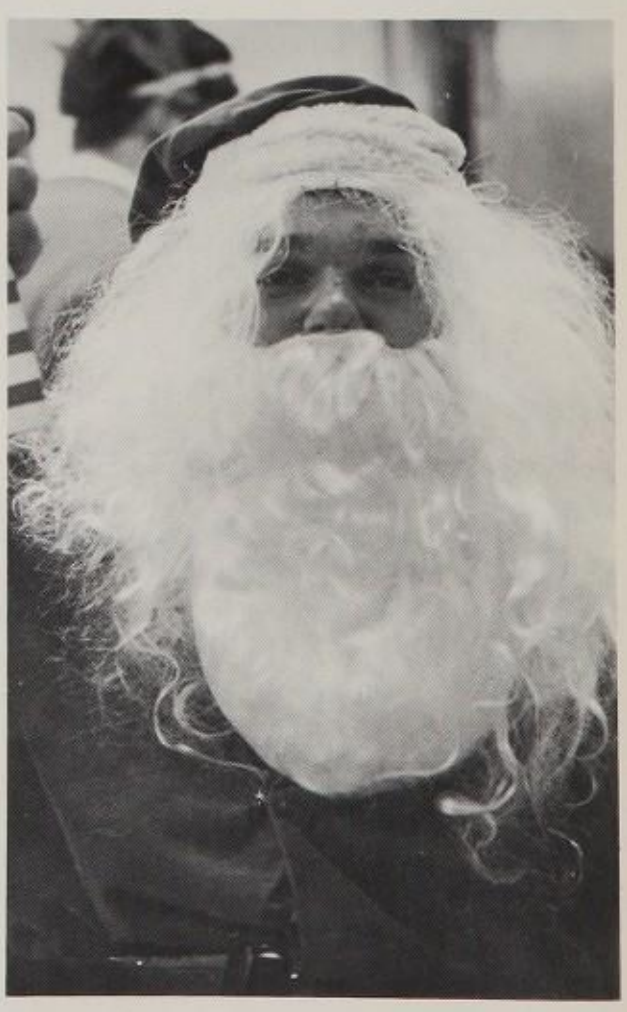
The traditional Senior-Alumni Dance was held during the last two periods. Since seniors were liberated from classes, the Boys' Gym was filled with large groups of happy, noisy people. Gifts were given to faculty members and the Mad Hatters provided the music. There was little dancing though, because it was really much more fun just to talk.

The evening before the Student Council had run a special showing of **The Guns of Navarrone.** Those who attended this HHS first found it the perfect way to begin the vacation. The ASC also extended holiday goodwill to a needy family which it adopted through the Newsday Adopt-a-Family program.

To close the hectic week Tri-M sponsored an Alumni Concert. Alumni pursuing musical studies performed for a very appreciative audience.



Worlds apart now, two alumni recalled days at HHS.



This close-up of Santa reveals that he is none other than our jolly senior V.P., Andy LaGrega.

Kathy Terranova and her committee of senior girls were responsible for planning a warm welcome for returning alumni.

Set Christmas Atmosphere

Eric "the Red-Nosed" Carlson leads the other "reindeer" in pulling Santa's sleigh filled with holiday presents for the Administration.

Andi Director fondles the football bound for the boys of family #174. Other presents included a sled, a radio, lamps, and clothing for each member of the family.

Seniors and alumni mingled at the dance, exchanging the latest information about HHS and college life.

This tinselled tree lit the lobby with Christmas cheer. It was decorated by members of the senior class.

Activity Contin

The tension of a playoff game erupted into wild cheering as our side scored.

The second half of the year sped by at the same hectic pace as the first. In February the All-School Council presented a special assembly featuring the congressman from our district, the Honorable Lester L. Wolff. The Congressman touched on a wide range of topics of current interest. He then turned the program back to President of the ASC Bob Gottlieb, who acted as moderator in the question and answer period which followed.

For almost a week Hicksville found itself without the benefit of bus service. Nevertheless, attendance was good as most students banded together into carpools. The inconvenience was soon forgotten when buses resumed their regular schedules.

March was quite a month for happenings. The PTA provided an evening of fun with its annual Donkey Basketball game, which pitted teachers against students and donkeys against everyone. The Honor Society invited students to celebrate St. Patrick's Day with a semi-formal dance. Posters courtesy of Irish International Airlines, shamrock favors, folk dances, and wee colleens bedecked appropriately in green added authentic Irish charm to this Honor Society first.

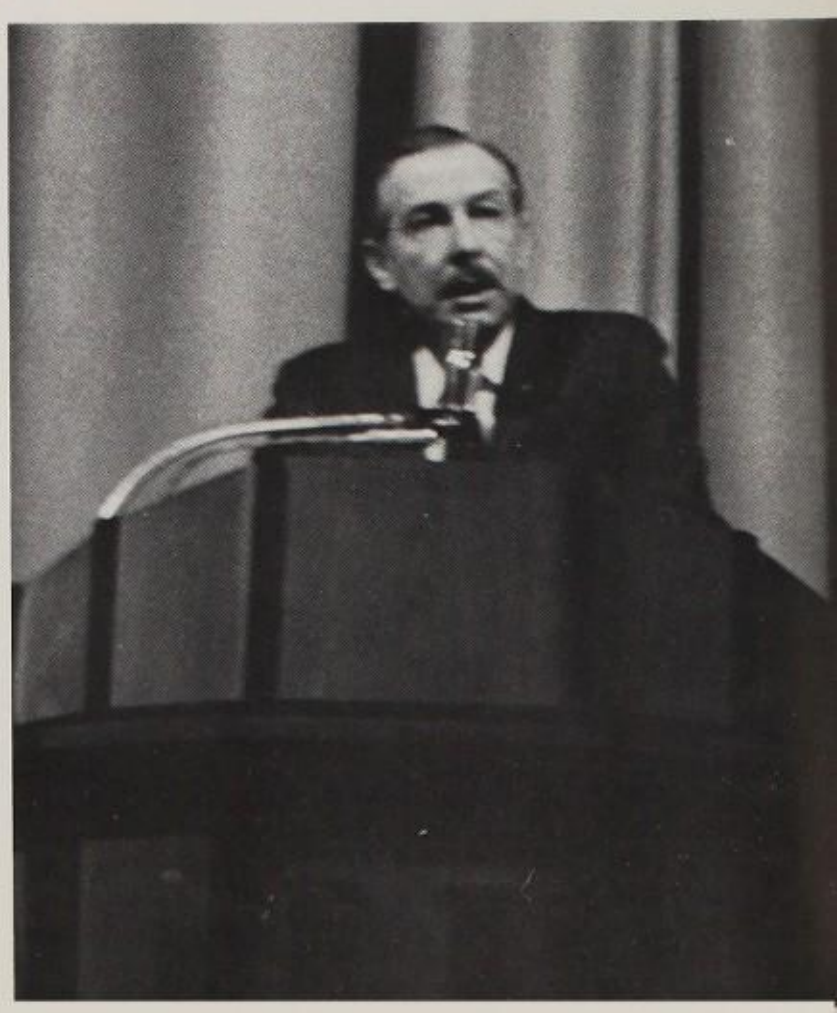
In the realm of the arts it was a busy semester. Tri-M ran two exceptionally worthwhile movies, one intriguingly entitled "Liquid Jazz". The **Particle** arranged a special art exhibition on loan, entitled "Mi Pueblo" which was displayed in the school library. Another fine issue of the Particle appeared in April and the staff extolled the glories of spring with a "tea." Members of the music department were treated to a special concert by the Fredonia Wind Ensemble, two of whose outstanding musicians are former band members HHS hosted NYSSMA competitors this spring. All three divisions of the music department prepared for judging. Afternoons, the auditorium echoed with the tunes of "Camelot" as members of the cast and orchestra rehearsed for the May 8 performance. For a brief four nights the happy-everaftering "Camelot" was a reality.

The anticipation of Spring brought many student grievances to the surface. A committee was set up by the ASC to investigate the causes of the few demonstrations. Student leaders asked for relaxation of regulations and more communication between Administration and students. The Administration accepted student proposals and agreed to institute reforms in the cafeteria and study hall set-ups.

The violent death of civil rights leader Martin Luther King Jr. in April shook the nation and the school. Hicksville responded with a brief memorial observance and a food and clothing drive for the benefit of S.C.L.C.

The Italian Club pizza party, the ASC Film Festival, the Senior Ball, and graduation ceremonies closed out the year.

We had almost forgotten what they looked like, but we were glad to have the strike settled and our buses operating regularly.



Congressman Lester L. Wolff commented on a melange of issues and then fielded questions from the floor.

d as Year Faded

The lusty month of May brought together Mr. Buttice and the orchestra in rehearsals for the musical "Camelot."

The Honor Society Dance Committee deliberated over arrangements to lend a festive air to the St. Patty's Day Dance.

Wayne Rooman found an outlet for his talents by participating in teas sponsored by the Particle.

Graduation was the best attended event of the year.

stamp club

The Stamp Club, organized in November, 1967, is the newest club in Hicksville High School.

The club is open to all students interested in the collection and trading of postage stamps. The main objective of the Stamp Club, as explained by its faculty advisor, Mr. Sklarz, is to stimulate and promote interest and knowledge of stamp collecting and related hobbies.

honor society

Hicksville's chapter is the largest on Long Island. It is a national honorary organization which recognizes outstanding students on the basis of scholarship, leadership, character, and service. Each year in May a group of juniors is selected for membership and inducted in an evening program. Its service to HHS includes a tutoring program.

In the middle of an often unruly council, Rick Lederer and Sue Schulman attended to the business at hand.

asc

The initiation of new ideas and the keeping of old traditions led the large ASC to new heights of success. Students, for the first time, attended council sponsored movies and other cultural and educative events. Greater SAT discounts and a fabulous Innash dance kept card holders jumping as they supplied the ASC with funds for its varied function. The council became closer to the administration as together they worked out problems ranging from the dress code to closed toilets. Beyond service in the school, the council retained its fine philanthropic traditions and adopted a family at Christmas; readopted two children, a Korean girl and an Indian boy; and donated funds to other worthy causes. Its active members and wise executive board presented to the Student body a year of divergent yet always interesting happenings.

key club

The Key Club is a service organization in the Hicksville High School. It is composed of some sixty boys in the school. The purpose of the Key Club is for the members to offer their services to the school and the community.

The club helps out in the adult education program, serves food at both the home football and basketball games, and ushers in the Variety Show, Senior Play, and Musical Play.

Outside the school, the members will collect for the Heart Fund, and again, assist in the "Clean Up Hicksville" campaign.

The major contribution of the club to the school is the giving out of two scholarships, one academic and one technical, to two deserving students of H.H.S.

Most often, the work produced is in the area of snapshots and candids, but there seems to be a great eagerness to explore nature and exploit wild-life. The COMET

Vol. X, No. 2 Hicksville High School January, 1968

The **Comet** had another banner year under the direction of its news-minded editors Bob Gottlieb and Steve Rose. The Comet filled its obligation as the school's newspaper by the successful Comet News, a weekly news sheet. Students got news of sports events, club activities, and humorous comments within days of their happening. The Comet, already familiar to HHS, was published bi-monthly incorporating creative issues concerning school problems, such as vandalism, news and always thought provoking editorials with fine journalistic style. Through the publications of the Comet, including the NEWspaper, weekly news sheet, and Student Handbook, students were given an insight to the happenings at Hicksville.

With the spirited Sicilian influence of Mr. Ferraro leading, the club's first activity was an excursion to New York City. There they saw in concert famous Italian singers, such as Pino Donaggio and Milva. Later funds were raised by a cake and candy sale and donated to the library to buy foreign language books. Having Italian books in our own library would aid a broad study of the language. The major event of the year was the Festa Italiana. The grand pizza party raised funds that were donated to Study Inc. Study helps finance the trip to Europe open to all third year language students. Many Italian Club members have been to Italy and more are going this summer.

Gail Pollina outlined the history of the Saturnalia ceremony.

Mentally humming "Gaudiamus Igitur", Latin Club inductees and onlookers patiently watched the festivities.

Reflecting the proper serious mood, Kathy Guastella was initiated into the Junior Classical League.

coquettes

In their second year at HHS, the coquettes, Hicksville's precision dance group, have definitely become a tradition. These twenty-one energetic girls practice regularly to provide school spirit and entertainment.

Although most commonly seen during the basketball season, they performed at all home games. Their bright orange uniforms were also seen at such gala affairs as "Variety 67", the French Festival, and the Spring Gymnastic show. Each of these shows illustrated the versality of the group, for they turned from Rockettes into Can Can girls and then into Boosters.

For many years the FNA has served HHS students who are interested in a nursing career. It gives them an opportunity to learn of the different programs that are open to them in this field. Mrs. Scharer and Mrs. Krum were the advisors this year.

Trips taken to Meadowbrook Hospital and the Holly Patterson Home gave the members an insight into the nursing profession. During the Christmas season, FNA filled stockings for patients at the Veterans Hospital. It also helped to raise money for such organizations as the Heart Association.

Mrs. Krumm discussed the filling of stockings for Christmas in the Vetrans' Hospital.

Mary Bell talked of future plans as Kathy Ringeisen stood by.

Hicksvilee High School offers a wide range of cocurricula and club activities. Among the clubs which offers such various activities is the FTA Club. At the beginning of the year a cake sale was held with great success. Clerical work is done by the members, and by helping out our own teachers members become better acquainted with the educational system.

Student teaching is the attraction that draws most of the members. Seniors, juniors, and sophomores are given the opportunity to teach in an elementary school of their choice, where they work under the supervision of an assigned teacher.

Future plans for the FTA include trips to schools for the handicapped and attending lectures by teachers and psychologists. All and all, FTA hopes to be a rewarding and worthwhile experience for all members.

The future teachers patiently awaited their assignments to elementary schools in the district for student teaching.

Films at the first film festival included the chilling **Animal Farm.**

cinema club

The Cinema Club is one of the newest clubs formed in the high school. The club will preview films, visit theatres, television and film studios, and host an annual Film Festival.

These activities will help members learn the art of film making and technique.

The Ski Club is an organization open to any HHS student who enjoys the pleasures of skiing. It attempts to educate its members in the basic skills and benefits of skiing. The Ski Club takes pride in the interest and the enthusiasm shown by its members. It is one of the largest clubs in the school with Miss Christiano as advisor.

orchestra

The Hicksville High School Symphony Orchestra under the inimitable direction of Mr. Buttice has had an excellent year. The group has many new members and has expanded to almost twice the size of last year's orchestra. It also enjoys the unique and previously non-existent advantage of a practice room all its own. This advantage is complemented with time—a whole period for the orchestra to rehearse the ambitious pieces performed in concert. Under the persistent, cajoling, demanding and everpatient baton of Mr. Buttice, the orchestra is constantly growing and providing memorable experiences for audiences throughout the year. Highlights are the Winter Concert which featured "Overture to Russlan and Ludmila" by Glinka, "Ipheginia in Aulis" by Gluck, the first movement of Beethoven's "Symphony No. I", and selections from "Camelot" by Lerner and Loew. At the Spring Concert, the orchestra played Shubert's beautiful "Unfinished Symphony", "Piano Concerts in A Major" by Mozart, and "Hoedown" from Aaron Copland's "Rodeo Suite". Many outstanding members of the orchestra performed in a recital given in February, showing a high degree of musical accomplishment. The orchestra has also been invited to play at the National Honor Society induction. This group, with its dynamic director, gives the school music, that most important element which gives depth and dimension to our high school experience.

Dedicated musicians like Jill Milians used every opportunity for practice.

Hours of rehearsal paid off in the grand finale of a successful concert.

The first violin section was challenged by "Russian and Ludmila" and "Rodeo"

A relatively new player, Julianne Taubman was always reliable and enthusiastic.

bands

The Symphonic Wind Ensemble is the most advanced group in the district. It is the organization which represents Hicksville at outside engagements. It offers the opportunity to continue study through five weekly practice sessions and two scheduled concerts during the year. Membership is by audition. One credit is given each year of participation. Besides special invitations to play out of town functions the Wind Ensemble plans a Winter Concert, a Spring Concert, Memorial Day Ceremony and Graduation. In addition, all members of the Wind Ensemble are required to participate in quartets for one meeting per week. Quartet, trio and other small-group literature are studied. This program is specifically designed to give experience in independence of playing. Culmination of this work results in an annual Solo and Ensemble Recital.

Other opportunities during the year are available for students who meet the special requirements: symphony orchestra, marching band, theatre orchestra and dance band.

Honor students in music with good academic standing are invited into the Modern Music Masters Honor Society. This association holds monthly meetings at which professional musicians from all fields are asked to speak or perform. Meetings are open to parents.

Guidance and extra help are available for others. Music may someday be a most valuable and invigorating leisure time activity. There are many people who play in college or community groups as a result of their instrumental studies in Hicksville High School.

A snappy color guard leads the intricate formations of the marching band.

The Concert Band stirs the audience with a rousing Sousa march.

Wynn Spieselman and Sue Kenwood thoughtfully interpret Beethoven.

Bieny and Clyde.

The marching band devoted long hours and Saturdays to practice.

In an attempt to arouse interest in an upcoming concert, Marty Klein and company serenaded the school lobby.

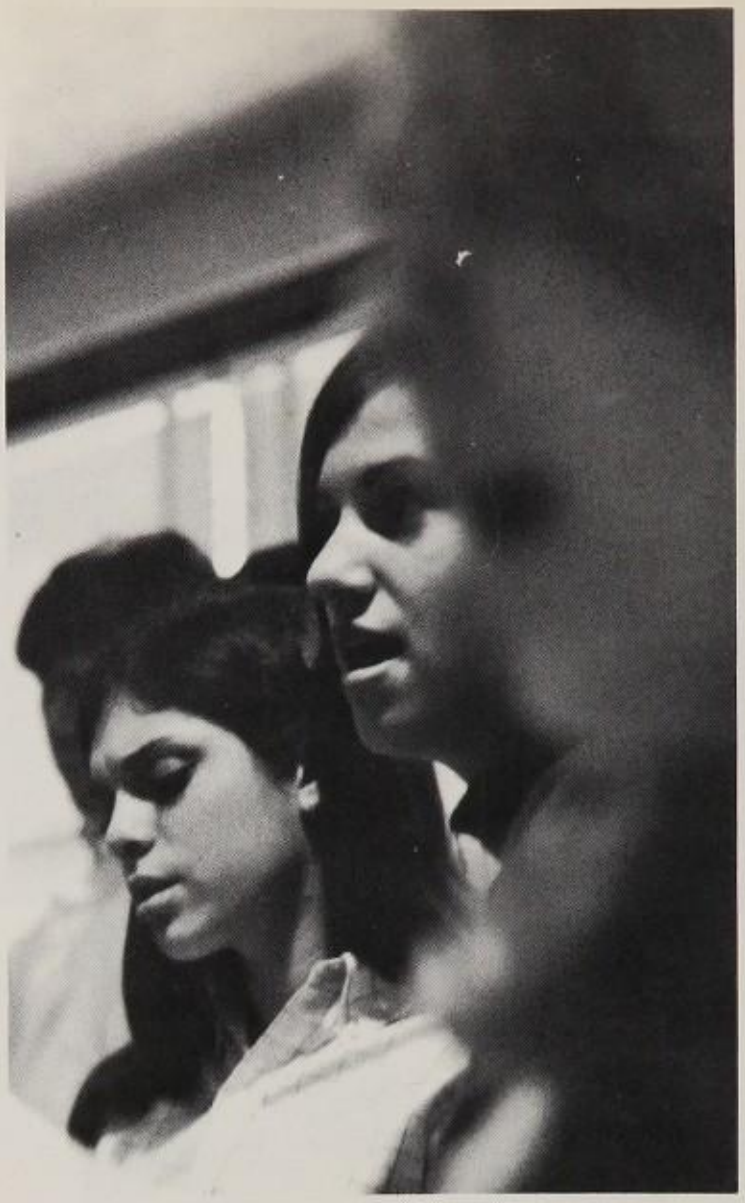
Mr. Pellerin stood up and was noticed.

Britton Lindquist and Claudia Koren trilled out on Fetes from Three Nocturnes by Debussy.

French horns played an essential part in all band performances.

mixed chorus

Due to the early absence of Mr. Arnold, this chorus, made up of mostly sophomores, was only able to perform in the Spring Concert. They sang pieces by various composers, and with Mr. Arnold's help, developed their potential as a fine choral group, working toward further advancement.



Good singing required concentration and effort as well as enthusiasm.

The Mixed Chorus obviously enjoyed singing.

Chorus songs ranged from spirituals to kyries to show music.

chorale

The Chorale, Hicksville High Schools most advanced choral group, is composed of almost one hundred students under the astute direction of Mr. Arnold. Their varied repertoire includes both classical and contemporary works.

The group has highlighted concerts, participated in the NYSSMA festival, and taken part in the annual Memorial Day and graduation ceremonies.

The chief objective of the chorus is to introduce new types of vocal music to its members and to let them experience singing pieces of a challenging degree of difficulty. It is certain that the members will remember the Chorale as one of the most rewarding phases of their high school years.

girls' chorus

Jeanne Kaplan concentrated on Mr. Arnold's direction as well as her music.

Debby Cohen and Sue Weber blended voices over good music.

The Girls' Chorus explores the wide range of blends and effects which can be derived by female voices. The group is introduced to various types of music, in order to acquaint the members with different styles and historical periods in music. Their repertoire ranges from the light classical to American folk and Broadway show tunes. Music theory and music appreciation are important essentials included within the curriculum. The group meets every day under the direction of Mr. Arnold. The Girls' Chorus not only introduces the students to ensemble singing, but also establishes a solid foundation for further study in the field of music.

JV FINISHES STRONG
Wins Last 5 in a Row
by Norman Hollander

The JV football team under the coaching leadership of Willie "Bear" Meyers completed one of their most successful seasons in a long time. After a very slow start the team got together and won their last 5 games by decisive margins.

The offense was led by quarterback Pat Dowling. It featured a strong running game led by Sophomores Fred Ehle and Richard Kowalchuk. When it was necessary to pass the ball Dowling's favorite receiver turned out to be End Don Cook. Special credit must also be given to the Comet forward wall led by hard charging Dave McIlwrath at center.

Defense was the strong point on this year's JV team. The defensive team gave up a meager 22 points in shutting out 4 teams. The forward wall led by Tackle Damien Garden consistently stopped the oppositions running game. Outstanding on defense for the Comets was middle-line-backer Fred Greiner. With the help of Corner linebacker Chuck Brady they were able to hold the opposition from moving downfield.

This year's JV stars should form the nucleus of next year's varsity football team.

All-County Fullback Ron Carmen left opposing defensive players in the dirt all season.

COMETS CAPTURE DIVISION TITLE
Hopes for Rutger's Cup Shattered in Last Game
Post 7—1 Record
All-County; Ron Carman
JV Finishes with 5 Straight Wins
by Norman Hollander

The Hicksville High School football team under the leadership of Coach Jim Grantham, captured the Division I title for the second year in a row. A loss to Levittown Division 21—13 on the final day of the season ruined the Comets's chance of retaining the Rutgers Cup.

The Comet offense featured a superior running game led by All-County Fullback Ron Carman and Dwight Eirich. But the running game was not the only strong point in the offense. The Hicksville passing attack though not as strong as it was a year ago was nevertheless respectable. Quarterback Bryan McAuley's favorite receivers were ends Tom Mirkow and Tom Draycott and halfback Jim Cara. A big role in the success of the offense was the fine play of the forward line. Led by All-Division lineman Ray Kretz they consistently pushed around opposing lines.

The defensive team also stood out this season. The forward wall was led by All-North Shore tackle Herb Bragg, and consistently stopped the opposition's rushing game. The linebacking core led by Middle Linebacker Mike Bernstein stopped the opponents from advancing downfield. The secondary consistently came up with the big interception when it was needed.

Many of this year's starters will be coming back next year.

The stalwart Hicksville defense led by Herb Bragg breaks up an end run.

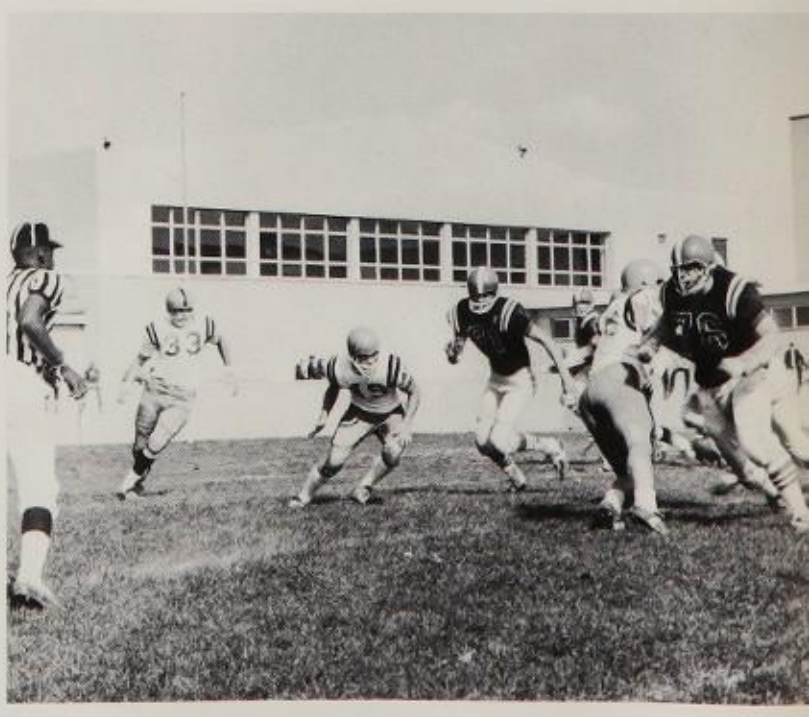
Touchdown Hicksville! The strategy pays off!

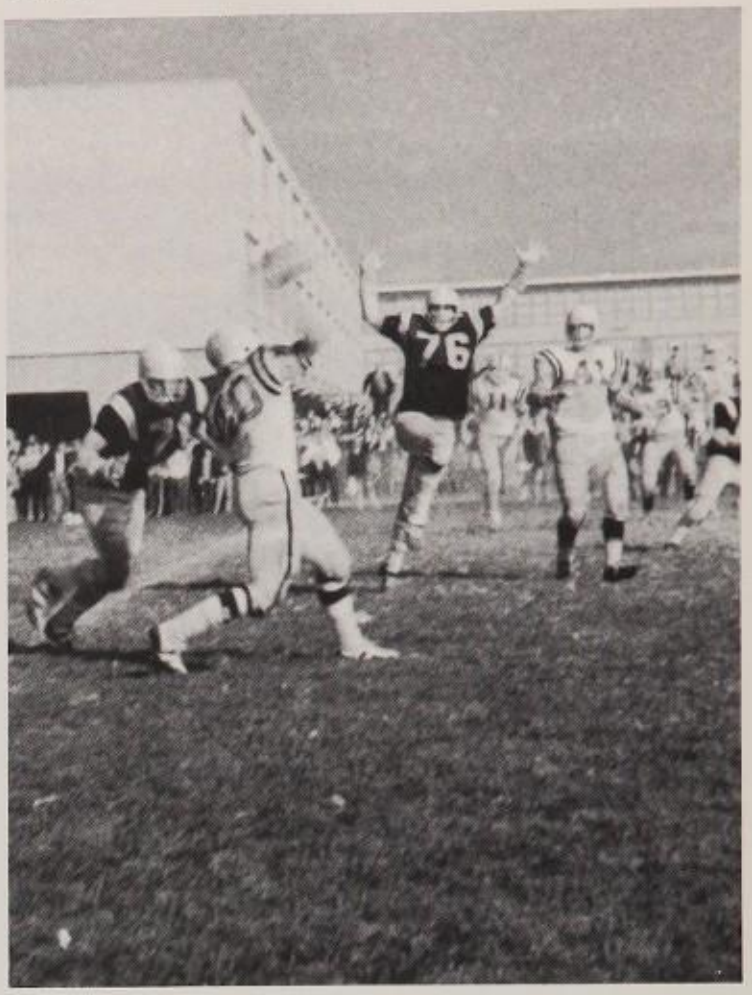
Teamwork makes a team win. Here, Dwight Eirich and Jim Cara for Ron Carman.



Strong defensemen like Charley Zott, Tom Lee, and Tom Draycott broke up many plays with piercing ferocity.

The opponents await the first play from scrimmage. Hicksville is ready!

Dwight Eirich, on a halfback option delivers the long bomb.



First down Hicksville!

Jim Cara receives some last minute instructions from Head Coach, Jim Grantham.

Shore 2nd Team
"LONG SEASON" IS A SUCCESS

The Comet booters, coached by Mr. Harry Renn gained their fourth straight division title this year in a co-championship with Farmingdale. They posted a 5—1—7 record overall with six shutouts. It was the orange defense which triumphed this year with Doug Galke in the goal, winning honors on the All-North Shore second team as did fullback captain, John McClain. Captain Roger Germann was the hub of the attack, as he managed to cover most of the field and was instrumental in many of the Hicksville scores. Roger was named to the All-County second team. The leading scorers were Mark Hortion, Neil Zanville, Pat Forte, and Rick Hafter, each with three goals. Division I, as usual, was tough, but with hard work and good spirit the team came through. Plainedge provided the first victory and then another later in the season. The Comets managed a tie with Center Moriches, a tough team always in contention for the Suffolk championship. Herricks, new to Division I, Syosset, and MacArthur each provided Hicksville with a tie and a victory, all six shutouts. Farmingdale managed the sole victory over Hicksville, but the Comets came through the second time around, as Charlie Alesi scored to cause a tie for the game and for the title. In playoff action, the Comets tied a strong Mineola team 2—2, but more corner kicks gave Mineola the technical victory.

The Junior Varsity record was not as impressive as the varsity's but the team shows a promising future. Under the fine guidance of Coach Roberts, the team finished with a record of four wins, five losses, and three ties. The Hicksville offense was led by Bruce Rosenswieg with five goals and center forward Jan Socul with two goals. Also outstanding on offense were halfback Richard Sklarz and Right Wing Richard Helsen. Excelling on the Comet defense were Steve Bodensieh as goalie, and Gerry Delmato and Carmine Torro alternating at the fullback position. Such fine players as these should make up the care of next year's varsity.

A play starts from scratch here. Fullback Randy Nash is about to boot as All North Shore halfback, Roger Germann and All North Shore (2nd team) fullback, John McClain stand by ready for action.

Hard work and a good coach were Hicksville's secrets to an undefeated varsity season this year. Miss Resnick, a new coach at Hicksville High, coached the varsity and junior varsity teams.

Fine passing and dodging was developed by all the team members. Special mention must go to Lorraine Rowe and Karen Andreone who were the backbone of the varsity team all season. High scorer was Karen Younggren, followed by Margaret Murphy. Goalie Joanne Wayne should be commended for letting only one goal score against Hicksville. The biggest accomplishment of the varsity season was winning first place in the Long Island Field Hockey Association playday. This was the first time Hicksville played in the playday and won first place.

The Junior varsity had a good overall 5—1 season only losing to Port Washington. Gail Pollina, Vicki Kopf and Barbara Sattler were the outstanding players.

ectator Spirit

Once again Hicksville has proved that we have the best cheerleaders around. Early in the fall, the two squads were chosen after all the contestants attended a cheering clinic where they were taught two cheers. Then at tryouts, they had to demonstrate their coordination and jumps, and they were selected by judges on the basis of their pep, voice, smile and appearance.

Then the two squads, under the direction of captains Sue Gwiazda and Irene Harlin, led Hicksville's enthusiastic fans in clap cheers, school chants, and short catchy yells which enlivened the spectators and roused our teams to victory.

The Comets added a variety of new cheers like this one to their repertory this year.

Varsity Hoopsters Finish Third in League
John McClain Makes All-Division Team
J.V. Also Has Successful Season

The Hicksville Varsity Basketball Team concluded its season with a 10—9 record. In league, with a 7—5 record, the Comets finished in third place. These statistics do not seem too impressive, but playing the season with only one returning Varsity man and with a new coach, it proved to be a highly successful season.

John McClain, the sole returner from last year's squad, led the Comets through the regular season, and into the playoffs. John's 14.8 points and 10 rebounds per game led the opposing coaches to choose him as a member of the All-Division Team. The team is rounded out with Junior Bob Rodgers, who quarterbacked the team, Doug Galke and Brian McCauly, both scoring threats, and 6'4" Sophomore Don Massey who led the team in rebounds.

Coach Bryan predicts the Comets to be a strong contender for the Division Championship next season with the return of Rodgers, Massey, and a strong core of J.V. men.

The J.V. finished the season with a 12—5 record. This was good enough for a third place finish in league.

The key to the teams success was its full-court-zone-press defense employed in the second half of almost every game. The men used, in this press, by Coach Alfieri were Dick Berg, Rich Mullin, Neal Schwainwooks, Chip Bayer, Don Cook, and Joe Zuckerman. The team was led offensively by Berg, Cook, and Ed O'Reilly.

Hicksville's defense employed a successful defense press all season.

Cross Country—The Loneliness of the Long Distance Runner

The Hicksville High cross-country team finished the 1967 season with a five and four won-loss record. For a team that is annually a champion, the year was a disappointment to the Comets; and, for once in a long time, the other teams in the division had a shot at the championship.

The Comets posted a 3—3 league record, with victories over MacArthur, Herricks, and Clarke high schools. The victory over Clarke was the most impressive, with Comets crossing the finish line first, second, third, and fifth.

Coach Bob Hilsky worked his men from Jones Beach on the South Shore to Great Neck on the North Shore, and from Bethpage to Van Cortland Park in the Bronx. Top man on the squad was senior "Bob McEneaney" (legs), who, even with his antics during practice, finished in the lead for Hicksville consistently. Running a close second to Bob was Craig Ibbotson, who pressed Bob for the top spot all year long. To Coach Hilsky's delight, third man was sophomore John Johnston, a tremendous prospect for the next two years, along with newcomer Bill Sanderson, a junior, who will be battling with John for top spot in 1968. Injury stricken Rich Midgett was fifth for the harriers.

In post-season meets, after finishing seventh in the North Shore Class "A" championships, Hicksville surprised the county by finishing sixth in the Section 8 Meet, losing to defending county champ Sewanhaka, who had beaten the Comets 51—50 in the first meet of the year, by only one point. Hicksville failed to have an entrant in the state meet at Buffalo, but Coach Hilsky has high hopes for 1968.

NETMEN FINISH 3RD IN LEAGUE
Hopes for Next Year Look Bright
by Neal Trabich

This was a very trying year for the Netmen of Hicksville High. The team's old rivals, Clarke and MacArthur were not equipped to handle the well-stabilized Comet team. But Herricks, a new arrival in the league, and Syosset, annual champs, made it doubly hard to place well in the division. Leading this year's team were Seniors, Bruce Golden, Mike Fliece, and Captain Bob Gottlieb, who played the top spot on the team and did a very commendable job. Anchoring the team were, Neal Trabich playing second singles, and Curtis Brill playing fourth singles.

Next year looks like a promising one with a major part of the year's team returning.

Girls Basketball

Miss James, a newcomer to the HHS faculty, coached the Girls' Basketball team onto an undefeated season. The girls showed they had the will and skill to win. The Varsity's "Big Three", seniors Lorraine Rowe and Karen Andreone, and Junior Sandy Zeig, boosted the team with their all-around agility and adeptness as players.

The outstanding reason behind the team placing third in the AWPENYS Playday was the loss of one of their most powerful players. Sandy Zeig was suspended from the game action because of a disagreement with the referee and was forced to remain on the sidelines for the remainder of the games.

Besides that, the season was uneventful, but quite fruitful for the team.

Sue Gwiazda smiled as she thought of the basket she was sure to make.

Varsity player Karen Adreone kept plays in motion with skillful control.

Volleyball Teams Undefeated!

This past year both varsity and junior varsity girls' volleyball teams had outstanding seasons under the coaching of Mrs. Kutch. Throughout their matches all team members performed well, but there are a few members who deserve special praise. Among those are Lorraine Rowe, Karen Andreone, Joan Hasbrouck, and Karen Younggren, who led their teams on to victory with their skillful serves and volleys. The forceful blocking and spiking of the teams also sparked Comet victories.

Varsity Matmen Fourth in League
J.V. Had Their Problems

The Hicksville Varsity Wrestling Team finished the season with a 3—5—1 record and finished in fourth place in league.

The Comets had their problems all season in the two upper weight classes. Their two upper weight stars, Ron Carman and George Pelcher, were out for much of the season because of injuries. This was a major reason for the Comet's fair season.

Outstanding on this year's team were Mike Lindo, Bill Krumm, Rich Kowalachuk, Tom Merendino, Tom Lee, and Bruce Rosenswieg. In the North Shore Meet, Mike Lindo finished second and Bill Krumm placed third.

Coach Tomaini should not have too many worries about next year's team with the return of Kowalachuk, Merendini, Pelcher, and Rosensweig.

The Junior Varsity finished the season with a record of eight wins, eight losses, and one tie. Again, this season, they had a lack of depth and had to forfeit several matches.

Outstanding on the team were Tony Defendis and Greg Reilly.

The Hicksville matmen had many pins this year such as this one.

Gymnasts Finish 3rd in League
Macey First on Rings in County Meet

After a slow start, the Varsity Gymnastics Team, under the fine coaching of Mr. Santoro and Mr. Roberts, won their last four meets. With a 5—3 record, the Comets finished third place in league.

Leading the Comet squad was Ralph Macey who was outstanding in tumbling and free exercise. In the North Shore meet, he finished first in tumbling and third in free exercise. He then went on to finish first in Nassau County and seventh in the state in free exercise. Ken Grossman, another outstanding performer, took third place in rope climbing in both the North Shore and County meets. Other leading scorers on the team were Rich Macey, Pat Murray, and Barry Kalmaer.

With an outstanding group of Sophomores and Juniors, the Comets should have another strong team in 1969.

Track Team Hop

An uphill battle all the way was the outlook for the HHS track team in 1968. Coach Ken Kingsley, desperately tried to get his trackmen into running condition, and had sacrificed much of his time to the team, including driving to the beach for 12 mile runs through the sand. The weather caused Mr. Kingsley much trouble throughout the spring—rain and snow took away much time from workouts.

Compounding troubles remained the fact that nearly all the other teams in our division had had winter track; and they were in near perfect form.

Returning hopefuls included Bob McEneany and Craig Ibbotson in the mile and two-mile. Additional future "bright spots" include junior Bill Sanderson in the half mile and sophomores John Johnston and Mike Scanlon in the two-mile. Even with all the obstacles, Coach Kingsley and his assistant coaches Jaworski and Feldman hoped for a very successful season, and proved to surprise the other teams in the league.

Patient jogging was part of the conditioning for the distance runners.

A middie smoothly passed the ball to the attack, and another play began.

The Varsity Lacrosse team for 1968 looked strong in the three pre-season scrimmages and in its opening game against New Hyde Park. The Comets played well both offensively and defensively. Leading the Comet offense were Dwight Eirich and Don Fullerton. On defense, Ray Kietz and Mike Bernstein were key figures. Rounding out the squad was goalie Bob Dalaney who had 15 saves in the Comet opener.

The JV Lacrosse team appeared strong in their opener scoring ten goals while shutting out their opponents. Leading the Comet offense were Craig Hassle and Chuck Arnone at attack, and John McDermitt at midfield. Defensively the Comets were led by Tom Flannigan and Andy Lee at goalie.

Coach Umbria said that he had a "young team but still looked good." He said that the test was to be later in the season.

Baseball Team Relied on

The Hicksville Varsity Baseball team looked as though they had a good chance to capture the division title. This was due to the coaching ability of Mr. Hogan and his well-rounded squad.

The pitching staff was led by Mike Connors, Dave Skowronski, Peter Swedella, and Gary Jackson. Backing up the pitching was the aggressive infield led by Peter Swedella, Donald Cook, Dick Sabatino and catcher Joe Nicholas. The outfield shone with Bobby Rodgers and Dennis Palelis.

Rounding off the team were the batmen, who seemed to have the potential to put the finishing touch on the division crown. The star batmen were Peter Swedella. Bob Rodgers, and Tom Novellano.

Great things were also expected from the JV baseball team this year because of the line guidance of Coach Hilsky and the excellence of many new players. The pitching shone with Frank Feeley, and Steve Marlow. The defense also looked good with players Tony Defendise, Bob Giarraputo, and catcher Charles Briel leading off.

Playing an aggressive outfield was Mike Wasiluk and Mike Bucci.

Putting on the finishing touches with their bats were Warren Breinger and Kevin McHugh.

Intramurals S

Basketball was a major part of the boys intramural program for winter.

Varsity teams might have more glamor, but they are not the only offering of the HHS athletic program. Just as important are Intramural Sports, which allow large numbers of enthusiastic people to compete with schoolmates.

In winter, nose running is enough sport for many students. Yet for some boys it is the season for basketball, when they vie for the school championship. For those inclined to painful games, there is floor hockey, which is really like ice hockey, without the ice. In the Girl's Gym, the thumps of basketballs can also be heard, but the most popular sport is volleyball. The best on these intramural squads go into the Girl's Varsity and JV teams.

When the flowers begin to bloom, softballs buzz through the air, launched by the bats of various and colorful teams. Farther away, gymsuited Robin Hoods whizz their arrows in girl's archery. Springtime also brings tennis to the playing fields of HHS and the net profits attract many participants.

Heated play developed between classes as well as between schools.

Our class officers planned ahead for our senior ball. For the first time professional entertainment was provided by the rocking Critters. Couples enjoyed the diversion from the mood music of Earl's Pearls.

We ordered our caps and gowns without considering the possibility of growing, gaining weight, or changing. But, by Graduation Day it was evident that many of us had changed in one way or another. The ceremonies climaxed with tears, shouts and memories. . . .

CONGRATULATIONS, GRADUATES

High School days are over. Before you lies a golden path in our land of opportunity. Today, in this modern age of space and rockets you'll find some of the old-fashioned, earth-bound virtues like thrift will serve you well. We hope to know you better in the days that lie ahead and serve your needs as we have many of our graduates throughout the years.

BROADWAY AND BOERUM STREET

Dear Graduate:

Graduation is a most important time in any family's life. A time to reflect about the many good things that have happened in the last four years ... and a time to think about the years ahead.

I am certain that you have considered furthering your education, either in college or in the many fine trade or nursing schools which are available. Perhaps you have already made a decision ... we hope it was to continue your education.

Now here's how we can help!

Under a cooperative arrangement with the New York Higher Education Assistance Corporation you may borrow from $750. to $1,500. a year with a maximum of $7,500. for attending college ... lesser amounts for trade schools. You make no payments and there are no interest charges while you are in school. Upon termination of studies you can take up to six years to repay. Loans are made directly to the student ...no co-signers are needed. Dial the telephone numbers listed below for additional information.

May we take this occasion to congratulate you on your graduation and to wish you a successful and rewarding future.

Cordially,

Michael J. Burke
